NOTES

- Any itineraries listed as “TBC” are taken from bookings from the respective ports, but as of yet unavailable on the cruise line website.
- Plantours has Havre-Saint-Pierre listed on their itinerary, but Saint-Pierre indicated on the map.
- Scenic Cruises has one cruise listed with an NL call in one of their brochures, but it doesn't seem to be available for booking on their website.
- The call listed on the St. John's schedule for the Greg Mortimer, May 14-15 is strongly suspected to be a provisioning stop only.

- The P&O call listed on the St. John's schedule for the Aurora may be a mistake as the itinerary has the ship en route between Gaspe, QC and Corner Brook at that time. Seems unlikely that they would go to St. John's between these two ports.
